I NEED TO HAVE YOU DEEP INSIDE ME

LABOR DAY LAY

Step by tantalizing step, the most beautiful chick I ever laid eyes on led me into a living fantasy

It was the last summer weekend. I planned to make the most of it, but I didn't dream it would include public masturbation at the hands of the most beautiful woman that I'd ever laid eyes on.

I'm a bachelor and I guess a little shyer than most. Although I'm no virgin, I'd banged only three women in the 25 years that I've been on this earth.

I went to the beach alone that Labor Day, intending to get some sun, drink lots of beer, and watch the half-naked babes strut their stuff.

I should have suspected that it was going to be one hell of a day. When I walked down the beach that morning, I nearly stumbled over a couple who thought that the beach was a bedroom. Their bodies were so intertwined that it was hard to tell whose parts were whose. But, it was easy enough to see why I picked a spot on the sand a few feet away and sat down to watch the show and soon had a hard-on that my shorts could barely contain.

I didn't worry about it much since the couple was too involved to notice and there was no one else around for miles, at least that's what I thought I guess I really wasn't watching for intruders. Instead I was busy concentrating on the couple beside me who were getting more daring by the minute. As she began humping her hips against the probing fingers, her lover lowered the left cup of her top and began sucking on her perfect pink-nippled tit.

It looked like they might start fucking at any second. At least that's what I hoped would happen. Unfortunately the chick pushed him away before he could get his dick between her beautiful thighs.

She sat up and opened a beer. They guy wasn't ready to quit. He tried again and again to get his hands back inside her bathing suit, but she managed to dodge every attempt.

When she looked over at me, I did my best to avoid her big, green eyes, but failed miserably. She gave me a knowing smile and licked her lips. My dick responded by trying to bust through the skin-tight trunks that I was wearing.

Her boyfriend finally gave up, put his hands behind his head, and closed his eyes. He was lying on his back. There was a bulge in the front of his suit that made me feel like a girl by comparison.

Suddenly, the woman looked over at me and winked. She moved her hand up the guy's leg until it covered the huge bulge. I heard him moan but he didn't move. He seemed content to just lie there and let her play with his dick. I was jealous. I wanted to feel her hot little hand on

my dick so badly that my nuts ached.

Before long, her caresses changed to long, slow strokes, up and down the lucky man's dick. Little by little the head of his cock crept above the top of his bathing suit I'm not gay, but watching another guy being jerked off had my cock thumping like crazy.

I wanted to pull it out and join the fun, but of course I didn't I was chicken. It was easy to see by the way the head of his cock was pulsating that he was going to come any minute. I wasn't sure that I wouldn't join him if he did. But I couldn't stop watching. I was hypnotized by the raw lust.

When at last, the guy groaned and lifted his ass up off of the blanket, she pushed his suit down and wrapped her fingers tightly around his dick as the first wad of his hot seed shot in the air.

By the time he was finished, his chest was covered with hot sticky cum. The woman looked directly at me as she rubbed the sticky cum into his flesh, and blew me a kiss.

I rolled over on my side with my back to her and touched my twitching dick. That's all it took to set off an explosion in my balls that had the front of my bathing suit soaked with cum before it was over.

I fell asleep in the satisfying afterglow of the best climax of my life, with visions of the woman naked and ready in my mind. In my dreams, I fucked her senseless and then fucked her some more.

I was awakened by a hand shaking my shoulder. I rolled over and looked up into the big, green eyes of my fantasy girl. "Hi," she said as she smiled and sat down on my blanket beside me.

I leaned up on my elbow and looked over toward her blanket. "Don't worry. Bobby had to go to work; we're all alone." She had a funny look on her face but I was still too groggy to realize what she had in mind.

I sat up and rubbed the sleep out of my eyes. I couldn't resist staring down at her big beautiful tits. The tiny bathing suit top was strained to its limits containing them.

"Would you rub me?" she smiled as she held out a bottle of lotion and turned her back toward me.

I squirted some of the slippery oil into my palm and with trembling hands began rubbing her back. Her flesh was hot to the touch. Just touching her sexy body soon had my dick harder than it had been earlier.

I guess a more aggressive guy would have pushed her over onto her back and rammed his cock into her, but like I said, I'm shy. I guess she sensed that, because step by tantalizing step she led me into a living fantasy that I'll never forget.

As soon as her back was well coated, she turned around. Her eyes went immediately to my bulging crotch. "Is that for me?" she giggled, licking her lips.

"Yeah," I stammered, figuring that it was a little late to lie. "Did you like what I did to Bobby?" she purred.

A growl was the best I could manage. By then she was stroking my dick through the thin material of my trunks. It was all I could do to keep from coming.

"I'll bet that you aren't mean like Bobby," she whispered.

A knot formed in my stomach as I again verified that he was really gone. "Meaning?" I stammered, picturing an irate boyfriend showing up with a gun or a knife or something.

"He won't eat me, so he's mean," she whimpered, as she looked at me and grinned.

The idea of tasting her sweet pussy sent shivers up my spine. "Here?" I choked. I wanted desperately to lick her juicy pussy but still, I was afraid of being seen.

"Why not?" she gasped as she pulled the crotch of her bathing suit aside and flashed the swollen, wet lips of her beautiful cunt. "Lay your head in my lap," she continued. "No one will know."

So, I stretched out with my head in her lap and my tongue teasing her swollen clit. She ran her fingers through my hair and moaned. When I slipped a finger into the tight, wet slit and continued licking her clit, she squealed and had her first orgasm. She bathed my tongue in hot, sweet juice.

After about three good comes, she sighed and closed her eyes. I lay there with my face resting on the soft bed of her pubic hair until she recovered.

"Now, I'll cream you," she offered as she sat up and grabbed the bottle of lotion. She pushed me over on my back and straddled my waist. Her back was toward me and her ass was practically in my face. The tiny suit did

little to hide the soft, white cheeks of her beautiful buns.

She began by rubbing the slick stuff into my calves, then my thighs and finally my belly. My cock was jumping like crazy, but she avoided it.

Then, when she was ready, she pushed my trunks below my balls and put her slick, hot hands on my twitching dick. It felt so good that I wanted to scream.

She seemed to know exactly how far she could go without taking me past the point of no return. She would stroke my cock up and down until I was gasping for breath. Then she would release me long enough for my cock to settle down before she began again. It was torture of the best kind and I loved every second of it.

Suddenly I heard voices. I guess she did too, because she released my dick and quickly covered it. She rolled off of me and put her head on my shoulder.

A few seconds later, some dudes in their teens walked past, laughing and kicking sand on each other. I couldn't really tell if they'd seen anything or not. It scared me, but not enough to make the swelling between my legs go away.

"Maybe I'd better do it this way," she purred, with her hot lips against my neck and ear. Her hand slipped under the waistband of my trunks and grabbed my cock.

I moved my hand between her legs and into her wet, hot pussy. She moaned and began gently pumping my dick. When I moved the cup away from her left tit and covered the soft, pink nipple with my lips, she trembled.

"I want to feel your dick," she panted.

"You are," I groaned.

"No," she gasped. "I mean inside me. I want you to fuck me."

"How?" I mumbled, wanting desperately to fuck her but still afraid that we might be seen.

She lifted her leg and pushed the head of my cock out of the side of my bathing suit. "Side saddle!" she whimpered. "Fuck me side saddle."

I knew immediately what she meant as I swung around and snuggled my crotch against her steaming crotch. She reached down and pulled the skimpy material away from her cunt and let the head of my dick sink into the molten flesh of her pussy.

Our legs were locked together like scissors. It probably looked strange, but it wasn't obvious that we were fucking. I held my breath as my cock slipped deeper into her slick slot. Finally, when I had my dick inside of her tight pussy all the way to my balls, I stopped. I was one stroke away from the big "O" and I wasn't ready yet I wanted it to last.

I put my hand over her mound and caught her quivering clit between two fingers and began gently teasing it. She moaned and humped her hips, gasping for breath.

I could feel the muscles of her cunt milking my twitching dick, but still I held on, savoring every moan and whimper as my sexy little mystery woman had machine gun orgasms. As soon as I felt the first tingle of seed

climbing up my shaft, I grabbed her hips and rammed my dick wildly in and out of her clutching cunt.

She screamed and opened her legs wider. I no longer cared who knew that we were fucking. All I wanted to do was drown her in a sea of hot cum. And I damn near did it. I thought that I'd never stop shooting hot seed into her pulsating pussy. She came every time a shot of sperm splattered against her tingling cunt walls. She was in no

hurry for it to end.

When it was over, I felt totally drained. I rolled over and dosed my eyes. I don't know how long we slept, but when I woke up, she was beside me with her head on my shoulder and her thighs across my cock.

I tipped her chin and kissed her sweet, open mouth for the first time. "Hi," she said sleepily as she slipped her tongue into my mouth. "I'm Barbie," she added, between kisses.

"I'm Rick," I groaned as I rolled on top of her soft willing body. We lay there for a long time with my dick pressed between her open legs, dry humping. I think that I would have fucked her again if that family hadn't invaded our private beach.

I walked her to her car and asked to see her again. She explained that she was going to marry Bobby in two weeks. I was stunned. She gave me a quick peck on the lips and climbed into her car and sped away. I was a little sad at not being able to see her again, but I'm not sorry that it happened.

She gave me a Labor Day that I'll never forget.

contraband cooze

Somebody on the outside had stashed something behind that book!

It was a slow morning at the library.

I stood there at the reference desk, no longer even bothering to look busy. The goddamned clock was frozen; one more hour until lunch. It was a nice spring day, sunny and mild. I couldn't wait to get outside, sit on my favorite bench, and smoke a cigarette.

Luckily, I had some stellar eye candy to keep me from dying of boredom. Ally, our trustee/housekeeper from the county correctional facility, was brushing each shelf with an old fashioned feather duster.

I could watch her all damned day. Early twenties, lustrous brunette hair, big tits, small waist, luscious ass, she was one seriously fine specimen. And a damned good worker, much better than our previous trustee who had lost her privileges after getting busted riffling through the branch manager's purse.

Sporting her tight-fitting green and white striped jumpsuit, Ally had me mesmerized. I tried not to stare but it was difficult. Just watching her was making me hard. Then it happened...

Ally pulled a book from the shelf, plunged her hand into the empty slot, and extracted something – I couldn't tell what – before quickly sliding the book back in place. Clever, I thought. Real clever. It didn't take a master detective to crack the case. No doubt she had just claimed some type of contraband. Somebody on the outside, a friend or family member, had stashed something behind that book.

Cigarettes? Weed? Pills? I waited until the other reference librarian, Jason, returned from the restroom before vacating the desk and confronting Ally in the stacks.

"You think you're pretty smart, huh?"

Ally regarded me with confusion. "Excuse me?"

"Don't play dumb, Ally." With its distinctive red spine, the book was easy enough to locate. I plucked it from the shelf. "Crime and Punishment . . ."

"I don't know what you're talk—"

"Save it. I saw the whole thing. So, tell me, what did you get? Anything good? I'm dying to know."

"It was just a few joints. Please don't report this. I love this job. It gets me out of that awful jail. If I couldn't come here everyday I'd lose my mind."

"Well," I said, shelving the book, "maybe we can work something out."

"Anything. Just tell me."

"I take my lunch at twelve-thirty, the perfect time for you to tote some

trash to the dumpster. We'll meet there. And don't be late."

The dumpster was behind the library. It was enclosed within a wooden fence per orders from the city's beautification committee, the ideal spot for what I had in mind. Ally showed up right on time. She hoisted a massive bag of trash into the dumpster with ease.

"This job keeps you in good shape."

"Yeah," Ally said, "I guess."

"You do a fantastic job. I'd hate to see you go. We all would."

"Like I said, it was just a few joints. I called my girlfriend from the jail and told her where to put them. She doesn't live too far from here."

"Girlfriend, huh?"

"Yeah."

"I'll bet she really misses you."

"I guess."

"Tell me something, Ally."

"Sure."

"How long has it been since you've sucked a cock?"

"Well," she said, smiling, "to tell you the truth, not that long. I suck off one of the guards several times a week..."

"Such a naughty little slut."

"You have no idea."

"Then why don't you show me . . ."

I unzipped my trousers and whipped it out. Ally wasted little time. She knelt and got right on it, polishing my knob with expert skill. Her lips encircled my cock, sliding up and down, head pumping, as she slurped and moaned. I placed my hands atop her head and thrust my hips, fucking her face as saliva oozed down her chin.

Ally proceeded to suck my balls while stroking me with her hand. My cock was harder than a brick. I was dying to plunge it into her cunt. As for Ally, well, she must've read my mind because she stopped suckling my nuts and said, "I want your big hard cock in my tight little fuckhole . . ."

"Your punishment," I replied.

"For my crime."

Ally shimmied out of her pants. She had an unruly bush. I pushed her against the side of the dumpster, grabbed her ass with both hands and lifted her off the ground. She wrapped her legs around my waist as I skewered her. Ally's cunt was tight and wet. I pounded her with everything I had. Her hot breath tickled my ear. She nibbled on my neck, urging me to fuck her even harder. I gave it my all, drilling her snatch with piston-like strokes, slamming her against the dumpster.

A sensible pace was out. This was strictly a quickie. I was looking to bust a proper nut and get on with my lunch break. Nookie's nice, sure, but a man has to eat.

"Let me finish you," she said, "with my mouth."

Already on the brink, I pulled out and stepped back. Ally went down and gobbled my cock for the second time. The girl could give magnificent head. She enjoyed the act, took great pride in her oral prowess. I thought of the jail guard with much jealousy. Lucky

bastard! Then again, maybe Ally and I could make this a regular thing, too. I certainly hoped so. She sucked and gagged . . .

"Oh, shit, baby, I'm about to blow . . ."

Ally came up for air with nary a second to spare. My cock exploded,

rope after rope, spewing thick gobs of jizz. I stood there, heart pounding, as my slimy seed slid down the side of the dumpster.

"So I'm okay now?" Ally asked.

"Of course you're okay. This was the most magnificent lunch break of my life."

"You're not going to report me?"

"Hell no, Ally. I'm a man of my word. And tell your girlfriend to keep bringing the spliffs. As long as we do this, your secret is safe with me."

"Sounds like a plan. As a matter of fact," she said, "I can probably get her to join us. I mean, well, if that's cool with you . . ."

The look on my face must've been one of utter bafflement. I could hardly believe what I had just heard. Three-way action! This was getting better and better.

"You bet it's cool," I said.

"I'll call her and arrange the whole thing. You'll like Lynn. She's fucking awesome."

The next few days were filled with much anticipation; to say that I was eager would be the understatement of the century.

Ally dominated my thoughts. A hardcore highlight reel of our tryst behind the dumpster played in my head, over and over. I carried out my duties at the library, seemingly focused, but my mind was elsewhere. At night I stared at the TV in my little apartment with absolutely no interest whatsoever. This prospect with Ally and her girlfriend was nothing short of mind blowing. I had never been with two women at the same time. Perhaps my luck was about to change in a big way.

Now, assisting a patron with the copy machine, I glanced over my shoulder and saw Ally. She was sweeping in the audio/visual section. We exchanged eye contact. She flashed a not so subtle smile. As soon as I finished helping the patron, I walked over to receive what I hoped would be good news.

"Good morning, Ally."

"You think so? Well, the afternoon is going to be a hell of a lot better."

"How so?"

"You take your lunch at twelve-thirty, right?"

"Everyday," I said, "just like clock-work."

"Meet me behind the dumpster."

Ally swept debris into her dustpan and moved on. I stared at her ass hungrily. Thank God for tight-fitting prison pants. I could see her panty lines, too. She hadn't mentioned Lynn. Still, something told me today was the day . . .

I had recently read an article about sexual stamina that recommended jerking off prior to intercourse. Jason was manning the reference desk. No time like the present, I thought, making a beeline for the staff restroom. I locked the door and got busy. Visualizing Ally's superlative ass, I jerked and tugged and jerked some more. My prick erupted, spewing cum into a wad of toilet paper.

Twelve-thirty couldn't get here

soon enough.

Just like last time, I took my lunch break as Ally toted trash to the dumpster. We met at the rendezvous spot. She started to hoist the bag . . .

"Allow me," I said.

I grabbed the bag and hurled it into the dumpster.

Ally said, "Such a gentleman."

"I have my moments."

And that's when Lynn came around the corner. "Now don't go starting this party without me . . ."

At least, I assumed it was Lynn. Who the hell else could it be?

I leaned against the fence as the reunited lovers exchanged a deep, passionate kiss. No doubt they missed each other something awful. Ally's incarceration had to be difficult for the both of them.

They finally separated. Lynn sized me up.

"So this is the guy, huh? Not bad, Ally. Not bad at all."

Lynn was a looker: tall with long, toned legs extending below the hem of a denim miniskirt. She looked like some kind of athlete. Basketball, I mused. Perhaps volleyball. Her honey blonde hair was chopped short.

I said, "The infamous Lynn. Pleased to make your acquaintance. It's nice to finally meet the person responsible for introducing contraband into the library."

"Drug smuggler extraordinaire."

"Yeah," Ally said, "and a damned good pussy eater, too."

They kissed once again. Ally pulled down Lynn's halter top, exposing a nice set of C-cups with dark nipples. Ally sucked her girlfriend's tits, feasting on them one at a time, licking and nibbling as Lynn stared at me over her shoulder. Still leaning against the fence, I pulled out my cock and stroked it slowly.

Lynn pushed Ally against the dumpster and peeled those striped pants. She squatted, shucked her lover's panties, and buried her face in Ally's bush. Ally moaned and mewled. I kept stroking my cock, getting harder and harder. Watching the hot lesbian action was a major turn-on. Lynn ran her tongue up and down Ally's wet slit.

I walked over and helped relieve Ally of her shirt. She raised her arms and it, as well as her bra, was off and on the ground. We kissed as I kneaded her tits, squeezing and massaging them, pinching one nipple, then the other. I felt hot breath on my prick. Lynn took me into her mouth. Her hot tongue basted my cock, base to

mushroom head, shellacking me with exquisite slowness.

Lynn was something else. She liked it all, cunt and cock. Her oral skills were topnotch. Still, I was ready to fuck her. We only had so much time, and so much to do!

She must've sensed my need. "Is the librarian ready to fuck this pussy..."

"You know it, baby."

There was a discarded office chair beside the dumpster. One of the circulation clerks had finally decided to get rid of the thing; she had rolled it out here just yesterday morning. The cushion was ripped and covered with tape, but it was more than adequate for our needs.

I took a seat. Lynn turned around, facing away from me, and lifted her

mini-skirt. No panties. Her ass was phenomenal. I leered at it as she positioned her hips, impaling herself on my cock. Her pussy was unbelievably tight, hot, and wet. I reached around and felt her tits, squeezing them as she rode me reverse-cowgirl style.

Ally was in front of us, kissing Lynn and diddling her girlfriend's clit. I could feel her fingers on my cock as Lynn bucked in my lap. The whole thing was mind-boggling. Two chicks at the same time! It was finally happening!

Jerking off just a short while ago had definitely given me more endurance. Still, I couldn't hold out forever. My balls were brimming with sauce. I could feel it bubbling. Lynn could, too. She swung off as my cock detonated, spitting gouts of spunk.

A man is definitely vulnerable while he's shooting a load...

Lynn took full advantage of my blissful state. Before I could even comprehend what was happening, she had produced a pair of handcuffs and secured my wrist to the chair. As she was doing this, Ally snatched the trousers and boxers bunched around my ankles, claiming them for her very own.

Ally and Lynn dressed hastily. I sat there like a fool, my post-coital cock already starting to shrivel. I'd been duped, played like a punk . . .

"Hey, come on now—"

"Sorry," Ally said, "but I just can't do another night in that miserable jail. It's nothing personal. And, for the record, I did enjoy our time—"

Lynn beckoned. "Come on, Ally! Enough with the chitchat! Let's get the hell out of here!"

They vamoosed with astonishing quickness. I heard Lynn's car fire up and peel out of the parking lot. Then I remembered my wallet. Gone with my pants! Son-of-a-bitch!

It took a while, maybe two hours, but a coworker finally found me. The look on her face was priceless. The cops were summoned to unlock the cuffs and take a report.

My manager fired me on the spot. To her credit, she made a run to the dollar store and bought me a pair of shorts so I wouldn't have to drive home in my birthday suit.
